In support of this Application, OMM respectfully states as follows:

BACKGROUND

1. On May 3, 2017, the Commonwealth of Puerto Rico (the "Commonwealth"), by and through the Financial Oversight and Management Board for Puerto Rico (the "Oversight Board"), as the Commonwealth's representative pursuant to section 315(b) of PROMESA, filed a petition with the Court under title III of PROMESA.

3. On May 21, 2017, the Puerto Rico Highways and Transportation Authority (“HTA”), by and through the Oversight Board, as HTA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

4. On May 21, 2017, the Employees Retirement System for the Commonwealth of Puerto Rico (“ERS”), by and through the Oversight Board, as ERS’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

5. On July 3, 2017, the Puerto Rico Electric Power Authority (“PREPA”), by and through the Oversight Board, as PREPA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

6. Through Orders of this Court, the Commonwealth, COFINA, HTA, ERS, and PREPA Title III Cases (together, the “Title III Cases”) are jointly administered for procedural purposes only, pursuant to PROMESA section 304(g) and Bankruptcy Rule 1015 [ECF Nos. 242, 537, 1417].

7. This application seeks allowance of compensation and reimbursement of expenses incurred by OMM solely in connection with the ERS related matters described below.

COMPENSATION REQUESTED BY OMM

8. AAFAF has retained OMM pursuant to an engagement letter dated July 6, 2017 (the “Engagement Letter”).² Pursuant to the Engagement Letter, payment of all fees and expenses detailed in this Application will be made exclusively by AAFAF.

9. OMM’s hourly rates are set at a level designed to compensate OMM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. Following execution of the Engagement Letter, and in light of the unique facts and circumstances

² A copy of the Engagement Letter will be provided to the Fee Examiner.

of these Title III cases, OMM agreed to provide a 15% discount on all fees incurred under the Engagement Letter, which is reflected in all Monthly Fee Statements submitted during the Compensation Period.

10. OMM's rates are appropriate for complex corporate, securities, litigation, and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. Further, there have not been any rate increases during the Compensation Period.³ OMM submits that the compensation requested is reasonable in light of the nature, extent, and value of such services to provided to AAFAF.

11. During the Compensation Period, OMM did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between OMM and any other person, other than partners of the firm, for sharing of compensation to be received for services rendered in these cases.

SUMMARY OF SERVICES

12. During the Interim Period, OMM provided important professional services to the Debtors in connection with the Title III Cases. Detailed descriptions of the specific services provided and the time expended performing such services are attached as **Exhibit B**, and a summary of the services OMM provided to the Debtors during the Compensation Period is set forth below.

³ For a small number of OMM professionals, hourly rates were capped at \$900.00 per hour for the 2017 Fiscal Year. This fee cap was not included in the Engagement Letter and the standard hourly rates for all OMM professionals did not otherwise increase during the Compensation Period.

13. OMM has established subject matters categories (each, a “Matter Category”) for keeping time records of the work performed for the Debtors. The following is a summary, by Matter Category, of the professional services provided by OMM during the Compensation Period.⁴

a) Case Administration – 102.7 hours – \$72,706.06

14. This category includes all matters relating to general case administration and coordination, records maintenance, assisting ERS in fulfilling its duties as debtor in possession, and serves as a general code for services performed that do not fit under any other specific code. In addition, OMM attorneys drafted daily summaries of key case developments for AAFAF.

c) Litigation – 3,893.6 hours – \$1,129,602.79

16. This category includes analysis, preparation, and prosecution of adversary proceedings or other litigation. During the Compensation Period, OMM reviewed and analyzed the various adversary complaints filed against ERS, researched and analyzed key legal issues
